~~~~~  
PLEASE DON'T LET YOUR FRUIT GO TO WASTE  
by having your fruit trees go unpicked.

*Harvest CROPS is asking permission to pick your  
unwanted fresh fruit from your residential property.*

*It's very easy!*

Simply email or call us at:

*info@harvestcrops.org*

*Think of it! Rather than have an orange, pear, tangerine or  
any fruit dry off the branches or drop and make a mess, give  
this fruit to a child who will savor every bite in the county  
of San Diego. We thank you for your generosity by helping  
feed limited-income families and seniors.*
