Dear Harvest C.R.O.P.S Team,

Thank you very much for your years of donations of fruit to Father Joe's Villages. I am very impressed, not only with the entrepreneurship of your organization, but also your generous spirit. At Father Joe's, we know our clients can never expect to succeed if their basic needs are not met. Your gifts have helped us to ensure our clients aren't hungry as they continue their journey towards stable income and housing.

At our downtown campus, we have two full kitchens which provide three meals each day for residents, as well as lunch for the public. There are days when we serve upwards of 3,000 meals. Over one million meals per year! We are able to do this because generous donations such as yours allow us to keep our food costs down. That is the power of your gift.

Thank you for your hard work and for thinking of Father Joe's Villages.

Yours in God's service of our neighbors in need,
